Let's read together

I live in a beautiful house. There is a kitchen, a living room, two bedrooms and a bathroom.

In my favourite room, there is a big window near an armchair. There is a modern picture on the wall above the sofa and the armchair is between the window and the coffee table. The coffee table is in the middle of the room.

In the evenings, we usually sit on the sofa, our dog sits on the armchair and we watch TV. There is a lamp next to the sofa. Sometimes I read and my partner watches football.

This is my favourite room in the house. Which room is it?
