

INTEREST & CONTEXT

A small image of Spider-Man sitting on a ledge and reading a book, positioned to the right of the main title.

61.

Do you have a good memory?

- Think of an English word that you found difficult to remember!
- Think of an English word that you found easy to remember!
- Why?

USE TECHNOLOGY

A photograph of several RAM sticks on a green circuit board, illustrating the use of technology in memory.

VISUALIZE & IMAGINE

A diagram of a human brain with various parts highlighted, representing visualization and imagination.

CHUNKS & TIMING

A close-up image of a clock face, illustrating the concept of timing.

How do you remember new words/phrases?

INTEREST & CONTEXT

A small image of Spider-Man reading a book, identical to the one on slide 61.
